

January 6, 2005

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: David Meek, NWS/PR Surface Program Manager

SUBJECT: Certification of Pacific Region Supplement 07-2003,
Requests for Special Observations in Support of Operations,
applicable to Instruction 10-1301 and Directive 10-1400,
dated March 17, 2004

The Pacific Region NWS reviewed National Weather Service Supplement 07-2003, Requests for Special Observations in Support of Operations, Dated March 17, 2004, applicable to Instruction 10-1301 and Directive 10-1400, and certifies it is current and requires no updating during its FY 2005 annual review cycle.
